Alongside the vicious Fascist loudmouths  
on AM radio, "Credit Repair" scams. Chump

shorthand: when you're face down in the mud,  
we'll help by placing a foot on your neck. So

delightful American Capitalism! Shove  
you further down in muck, ram it in  
and break it off. One supposed to be

grateful to live in this Greatest Country!  
Recite loyal slogans while sodomized.
